Welcome to the Learning Zone
learningzone.eb.com

The Britannica Learning Zone offers an engaging, online tool for early-childhood learning, covering letters, words, numbers, time, sound, geography, and more. This activity-centered learning environment- created of Pre-Kindergarten through 2nd grade – supports classroom curriculum and helps students build technology skills.

Activity-Based Learning
Select an activity: Explore, Play, Read, or Draw.

Subject-Based Learning
Click an item to choose a subject to explore.

Teacher Tools
Get ideas on how to incorporate the Learning Zone into your reading, writing, math, science, and social studies lessons; produce reports on student progress, and more.

Help
Look here for quick instructions on each section of the Learning Zone.
Explore

Tour the World
Click on a flag to watch a video about the people and animals around the world.

Play

Interactive Learning
Play games and take quizzes to learn colors, numbers, shapes, sound, and time. Click a title at the bottom and then follow along. Ideal for expanding reading, writing, and math skills.
Build Vocabulary Skills
Learn new words – from arctic to zoom – and practice reading and spelling at the same time. Click your favorite letter to start, and then click the arrows to see more words. Perfect for improving vocabulary and reading skills.

Be Creative
Unlock students’ creativity with an online art and drawing program. Choose a picture to copy or create your own. Helps build communication and technology skills.
